MODEL D6740 / D6745: SLOTTED TUCKAWAY® LIFTER

This specially designed TuckAway® lifter comes in two varieties. The D6740 is strictly European while the D6745 offers both European and US style lifting. The unique slotted action of this lifter allows for a large range of mounting heights while retaining the ability to dump high and deeply into the hopper. Now with a more powerful 27k helical rotary actuator!
